

# Virtual Development Contest!

Calling all 3D devs, designers, and creators!

GO TO [REACHCLOUD.ORG/CONTEST](https://reachcloud.org/contest)

## Important Details:

- To enter, upload your custom space built via Unity using the Reach SDK by **DECEMBER 16TH**. Build an engaging virtual experience or a game.
- The uploaded scene **MUST** be a game or a unique experience usable on a minimum of **TWO** available platforms: Mobile, WebGL, PC, and VR. The more you optimize, the better!
- **PRIZES** for top spaces range from: 1 on 1 Coaching session with Reach and LE4F Agency, Year of subscription to the Reach Cloud Platform, 1 on 1 with 3DXP studios, and more prizes to be announced on the contest page
- Full contest details and requirements can be found at <https://reachcloud.org/contest/>
